

A stylized map of Europe is the central focus, rendered in a 3D effect with various shades of blue, green, and orange. The map is surrounded by several white storks with black wings and long orange beaks, shown in flight. The background is a gradient of blue and orange. The title 'ENVIRONMENTAL INDICATORS' is written in a bold, blue, sans-serif font with a white outline and a slight shadow, positioned at the top center. The year '2003' is written in a similar font at the bottom right. There are decorative diamond shapes on the left and right sides of the title.

ENVIRONMENTAL INDICATORS

2003

A graphic illustration on a blue background. It features a large, light blue sphere representing the Earth. To the right of the sphere, there are several green, stylized landmasses. Above and around these landmasses are several white birds in flight, some with blue outlines. The text 'ENVIRONMENTAL INDICATORS' is written in white, uppercase letters across the middle of the image, partially overlapping the globe and the landmasses.

ENVIRONMENTAL INDICATORS

Report Environmental Indicators is prepared in accordance with the Article 106 of the Environmental Protection Act (OJ RS no. 41/2004). It consists of 51 environmental indicators. For easier overview they are arranged in nine thematic chapters dealing with environmental elements (water, air), environmental issues (ozone layer depletion and climate change, nature conservation and biodiversity loss, generation and management of waste) and indicators which integrate in the system of sector politics (indicators of agriculture, tourism, energy production, environmental policy instruments).
